SPECIAL FEATURES

Omega 71 Universal Non-Melt Grease is the high-temperature lubricant that keeps on working long after ordinary greases have melted away.

- **Omega 71** is the severe-temperature grease that positively will not melt, run or drip at any temperature!
- **Omega 71** stays in place longer to eliminate the need for frequent lubrication – saves you time and money.
- **Omega 71** contains Omega's unique "Megalite" supplements to ensure long-lasting reliable lubrication of metal surfaces.

OUTSTANDING PROPERTIES

Omega 71 is the universal non-melt grease that:

- Forms its own seal to keep out damaging water and contaminants.
- Provides extreme versatility – works exceedingly well on practically all types of standard equipment.
- Is quality formulated to suppress the natural tendency of grease to migrate during normal use.
- Is color-coded to prevent costly misapplication.

USE FOR

Omega 71 is absolutely the right choice for high-temperature applications. But **Omega 71** is much more than just a temperature-resistant lubricant, it provides exceptional lubricity that retards wear and prolongs the service life of vital equipment.

Use **Omega 71** in:

- Kiln Car Bearings • Autoclaves • Water Pumps • Babbitt Bearings • And countless applications requiring long-lasting and reliable lubrication.
